Overview

July, August, and September were truly transformative months, filled with heartfelt celebrations and meaningful connections with friends during various activities. In July, our team came together to complete our essential annual training on bloodborne pathogens, recognizing the importance of safety for ourselves and those we care for. In September, we joyfully celebrated Direct Support Professional (DSP) Week, taking this time to honor the unwavering dedication of our incredible DSPs. Their tireless efforts in uplifting and supporting our amazing individuals truly make a difference in our community, and it is deeply appreciated by all of us.

DYNAMIC DUO'S

Brooklynn + Justin

Brooklynn and Justin have been working together for some time now, and their teamwork continues to shine. Brooklynn provides consistency and structure, helping to ensure Justin can stay focused and complete his job duties successfully. Her calm and supportive presence creates an environment where Justin can thrive.

When asked about Brooklynn, Justin shared, "She helps me out. She's cool and fun to be around. She's just always laughing, ya know." Brooklynn had equally kind words to say, "He is so funny and brings a light-hearted spirit to the workplace."

Their strong working relationship is built on trust, support, and shared respect. Together, they maintain a great balance—staying productive while also bringing positivity into the workplace. Brooklynn and Justin are a great example of how effective teamwork can make a real difference.

Mari + Dawn

Mari and Dawn have been working together for nearly two years, and their bond continues to grow stronger with time. Their partnership is rooted in mutual respect, consistency, and care. Dawn plays an important role in supporting Mari's success—helping her stay on track and encouraging her to be the best version of herself, both personally and professionally.

Dawn shared, "I enjoy working with Mari. She brings a smile to my face every day I get to work with her." And Mari had this to say about Dawn:

"She is funny, I like her personality, and she is very, very helpful."

Together, Mari and Dawn are the definition of a strong team—uplifting each other and creating a positive, productive work environment. Their connection is a true reminder of the impact a great support system can have in the workplace.
